- ✓ **Provides legal guidance and forms** to get started
- ✓ **Includes free setup and support**
- ✓ **Includes reliable day-of-voting support** and post-voting event challenges/inspections at no additional charge
- ✓ **Does not change its price**
- ✓ **Is established** with operations throughout the U.S.
- ✓ **Has invested millions** in developing its proprietary software
- ✓ **Has cyber insurance of \$1M with Lloyds of London**

VOTINGPORTALS

- ✗ **No lawyer** in the company
- ✗ **Built on a less secure** platform that has had multiple data breaches
- ✗ **Dabbles in other things** like packages and owner chat rooms
- ✗ **Has handled around 100** condos total
- ✗ **Refers you to your attorney** who doesn't respond and charges
- ✗ Changes it's mind a lot and **tries to charge for setup** (if it can)
- ✗ **Charges for voting event support** and cannot be relied upon for post-voting event legal challenges/inspections
- ✗ **Has changed its price** multiple times in the past year
- ✗ **Shares space** with other website makers
- ✗ **Has not invested in its product development** (and it shows)
- ✗ **Does NOT carry insurance** (but probably will after seeing this)

COMPETITOR

WHAT ELSE DOES VOTING PORTALS HAVE TO OFFER?
